

The Value Of Type

Try Before You Buy

We know how hard it is to spend your hard-earned cash on fonts – especially when you are not sure whether the desired typeface will meet your needs. To provide the best possible experience, we offer free trials of most of our fonts with a limited character set.

Unexpectedness

Character Chart

One of the most common problems with fonts is missing characters.

Fixing this issue when such characters are needed takes a lot of effort and time. Workarounds are very often created within the layout software which holds a high potential for further mistakes.

Discover all the characters of this font in the following glyph chart.

Missing A Letter?

If you are still missing a specific letter or features,
just let us know:

hello@typethis.studio

You can request a custom offer or we will simply add
the requested character or feature to our update
list, and you can download it when the next update is
available.

We Say Thank You!

If you are reading this, you must be seriously interested in our typefaces! That means a lot to us.

You might want to subscribe to our newsletter to get the latest news and discounts on our fonts.

Are You Still Here?

It looks like you are still hesitating. Tell us what you really need to be confident that this typeface is the perfect fit for you.

Don't hesitate – we mean it!

hello@typethis.studio
