- OpenType format, multi-platform compatible
- Three fonts
- Supports Western

Jesus Loves You

Jesus Loves Your Brother

Jesus Loves Your Sister

Samples of styles

De Groot's preferred way to relax from the repetitive and concentrated work on Thesis was to design more fonts – typefaces of a kind he described as fun fonts. Many of these were quick and dirty destructive fonts, often obtained by putting the Thesis curves through one or more filters in a vector drawing program. Others were more
