A new version of a Classic

# Swash

*introduction*

The Swash version of Adriane Text features the best of the best characteristics of this lineage. Without losing the strong personality and elegant design featured in your text style, Adriane Swash brings a fancy look to this classic style. The family comes with a complete character set in UPPERCASE, Lowercase and SMALL CAPS, and the Swash option can be activated through the OpenType features panel, including glyphs initial, intermediate and final, plus a wide range of stylistic ligatures, Alternate glyphs, ornaments and languages.
